THE INSTITUTE

Yashwantrao Chavan School of Social Work (YCSSW) is a unit of Bharatiya Bhatke Vimukta Vikas Va Sanshodhan Sanstha, Satara, which is affiliated with Shivaji University, Kolhapur and accredited with B++ Grade by NAAC. YCSSW is recognized under 2f & 12b of UGC Act, 1956 and affiliated to Shivaji University Kolhapur. YCSSW offers Specialized Master of Social Work (MSW) program and a Generalist Bachelor of Social Work (BSW) on full-time basis. Established in 1994, YCSSW has completed an eventful 27 years of contribution to value based Social Work Education,

YCSSW stands apart from other educational institutions in its educational and ethical focus to provide students with a holistic education that addresses mind, body and soul. At YCSSW, education has always been linked to ethical and moral growth of the individual. It is the heart of the institution to make sure every student that leaves the college not only gets the best education possible, but also is transformed into the best citizen of the country. The unique facilities and innovative programs of YCSSW make it a premiere choice for the study of Social Work. The major purpose behind establishing the Yashwantrao Chavan School of Social Work is to develop and maintain it, as a centre for higher learning research, development and consultancy.

The full time courses offered at YCSSW are:

1. Two years, Master of Social Work (M.S.W) course with specialization in Human Resource Management, Urban and Rural Community Development and Medical and Psychiatry.
2. Three years, Generalist Bachelor of Social Work (BSW) course.

YCSSW, over a period of 2 decades, is proud to have 4000+ alumni's working in senior positions in national and international organizations all over the world.

Vision

Our vision is to build a community of Social Work Professionals who bring positive change in the world.

Faculty Development:

During this period, all the faculty have attended FDP/Workshop/conference/refresher course on either online or offline mode. This has helped them to gain knowledge of relevant topics. Four of the teaching faculties are on the verge to submit Ph.D.

Computer Lab and Office:

In year 2020-21, computer lab has been updated by purchasing 15 desktops for the use of students and one laptop for the use of teachers. Also, Office has been updated for easy access to the students.

Social Responsibility Initiatives

- During the COVID 19 period as a social responsibility we were involved in different activities to support the needy and poor people in the society. We have distributed ration kits to around 7000 families of villages in Satara district in collaboration with different industries.
- 302 home isolated Corona patients were given online counseling.
- We have intervened in flood relief work in 2019. 20 students and two faculties stayed in Khidrapur Village, District Sangli for four days & had participated in rehabilitation activities. Also we had distributed dry ration kits to around 300 families .
- On a regular basis we are conducting legal awareness programme for women in villages. We are associated with National, State women commission, District Legal Services department & department of Women and Child Welfare.
- We have two family counselling centers sponsored by central social welfare board, New Delhi, which is operated from Karad and Satara Police stations. On an average 300 - 400 family issues are sorted out every year through these centers.
- We are also having VIHMAN as a care and support centre for HIV/AIDS patients. Through these centres patients of Satara districts are benefited in various fronts.
- During covid-19 pandemic, there was utter need from society which gave a boost to volunteerism in our college wherein, 45 students volunteered for paralegal awareness

Mission

To provide a learning environment characterized by excellence in Social Work education directed towards developing and fostering principled and competent professional practitioners who recognize the interrelatedness of human needs, social structures and oppressive conditions in their work with diverse populations.

List of Virtual Orientation Visits

(PLV) and till date 47 programmes have been conducted for creating legal awareness in the society.

These entire programmes were organised in collaboration with NGOs, government departments and industries. Regular awareness programs on mental health, superstition, addiction, community participation, etc. are the part and parcel of our educational programme taking into consideration the principle of learning by doing. Recognising the need, we have started working with Transgender as well. All our activities are need based and situation based. We promptly respond to any crisis situation as per our capacity and do network with likeminded stakeholders.

School social work is another area where we have intervened to deal with the issues of students and teachers. Our parent institute has 8 primary and secondary ashram schools and one junior college to cater to the educational needs of VJNT community. Around 1000 students are studying here and the institute takes care of their accommodation and food. School social work is being practiced in these schools under the able guidance of faculty members. All our activities are concentrated on the downtrodden section of the society.
