

One Week National Level Webinar

**Opportunities for Enhancing Professional
Competencies through Open and Distance Learning**

27th July, 2020 to 2nd August, 2020

About the Webinar

The IGNOU has always been on the forefront in providing quality education and support to the students in acquiring knowledge, skills and competencies in various sectors that helps you to seek a job or be self-employed. The mandate of IGNOU is to achieve the twin objectives of widening access for all sections of the society; and provide continual professional development and training in all sectors of the economy.

This webinar is an attempt by the IGNOU Regional Centre, Pune to highlight our academic programmes that heavily focus on enhancing the professional competencies of learners in various disciplines. Renowned resource persons will elaborate on the major skills and competencies that are necessary to enhance your chances of success in seeking a job or to become an entrepreneur.
